

Curling It's Sweeping the Nation!

Join us for our 2-day

Learn2Curl Clinic!

Join us for our 2-day "Learn 2 Curl" Clinic and see what the hottest sport on ice is all about!

Introduction to the sport of curling

Our Learn2Curl Clinic will teach you the basics of curling, beginning off-ice where you will learn about our unique curling ice, equipment, warm-up and safety, etiquette, techniques for delivery and sweeping, basic rules, and the strategy behind the game.

On-ice instruction and practice

Qualified instructors will guide you through the step by-step process of how to deliver a curling stone. You'll learn how to throw in-turns, out-turns, take-outs, draws, hit and rolls, and many other finesse shots that you may be asked

to throw during a game. You'll learn the art of sweeping stones – why and how it is done.

Curl an actual game

After the off-ice instruction, you will practice the ABC's of delivering and sweeping the rock and ultimately play a few ends where you will have the opportunity to try each of the team positions.

Instructors will be available to help with game strategy and assist with delivery and sweeping techniques.

Instructional League

If you'd like to continue developing your curling skills, become a member and you may join our New Member Instructional League, which meets Tuesday evenings during the first half of the season, with instruction for the first hour and short games for the second hour. Also, you may join or substitute in any of more than a dozen other regular weekly leagues.

About our club

The curling season runs from November through March and offers a variety of curling opportunities for men, women and juniors. Membership is open to everyone with an interest in having fun and participating in this unique winter sport, one of the newest competitions in the Winter Olympics.

The Learn2Curl clinic is a two-day event:

- Tuesday October 16th from 6-8 pm
- Tuesday October 23rd from 6-8 pm

Held at the Madison Curling Club,
4802 Marsh Road, McFarland, WI 53558.

Sign up at madisoncurlingclub.com!

Cost: \$50 per person.

To ensure your comfort and safety on the ice, wear loose, comfortable clothing, and dress in layers. Please be sure to have a pair of clean, flat, rubber-soled shoes to wear on the ice. All other equipment will be provided.
